

YAHIR INTERNATIONAL FZCo

WHY YAHIR?

It's been over a decade, since we ventured into the food business. Starting with just two international brands, within a few years we established a strong presence in the sector. Soon we introduced our own brands: VICTORIYA and VICTORIA GARDEN. Together these two brands have more than 150 products in different segments of Consumer Food Industry. We cater to both Retail and HORECA sectors.

We are committed to our consumers. We strive to adhere to our motto 'TASTE OF QUALITY'. Every item in our product range undergoes strict quality control process. All our products are manufactured by world class factories with internationally acclaimed quality certificates of HACCP/ BRC/ USFDA/ HALAL/ FSSC22000. It is our passion to develop quality and tasty products that meet our commitment.

To be a market leader in providing quality & nutritious food products around the world by bringing trendy and innovative products.

We strive for continuous and sustainable growth by introducing quality and trendy food products. Our approach is always to start with our consumers and customers so that our vision can be fulfilled.
